#### ABOUT THE JUROR

**Susan Snyder, Director,  
CALDWELL SNYDER GALLERY**

We are so pleased to have Susan Snyder of the Caldwell Snyder Gallery in San Francisco as our juror this year. Snyder has been in the art business since 1981 starting the gallery in 1983. She is an active member of the San Francisco Art Dealers Association. The gallery represents emerging and mid career artists and has locations in San Francisco and Saint Helena in the Napa Valley, exhibiting 12 shows a year as well as participating in numerous international art fairs.

#### ABOUT GALLERY ROUTE ONE

The artists at GRO believe that art can be a powerful force for change, and that artists have much to contribute to the dialogue about critical problems we face as a society. Our Mission: To originate and present contemporary art exhibitions, educational programs and community outreach in order to inspire people to experience the world in new ways.

GRO was founded by 25 artists in 1983, and currently maintains a membership of 20-25 artists. Our Board of Directors is drawn from interested community members, including artists. The organization supports two exhibition programs: member exhibitions and Project Space exhibitions, which feature guest artists. The Annex, a small, interior space also exhibits work by member artists.

GRO presents art in all media, including installation, but does not regularly show crafts. Other GRO events include panel discussions, slide talks and two community outreach programs: Artists In the Schools and the Latino Photography Project. Artist members support the organization and its projects by paying monthly dues and by doing volunteer work, including staffing the gallery. GRO is also funded by its Partners in Art and contributions from the community. The Latino Photography Project is supported in part by a grant from the Marin Community Foundation.
