GRO is the home of the annual Box Show, holds a Juried exhibition for Northern California artists annually, and serves the West Marin Community through its Latino Photography Project and its Artists in the Schools Program.

The organization was founded in 1983 by 25 artists who joined together to create a professional-level exhibition space and gathering place for artists and to serve the community through the visual arts.

**Our mission: To originate and present contemporary art exhibitions, educational programs and community outreach to inspire people to experience the world in new ways.**

In an average year, GRO presents 21 exhibitions in its three gallery spaces. Exhibitions are six weeks in length. Over 12,000 people visit GRO during the year, including 5,000 who come to see the annual Box Show. The Gallery Shop sells American artisan-made arts & crafts.

GRO, now celebrating its 35th year, receives a high level of recognition and support in the West Marin community and the Greater Bay Area for sponsoring innovative exhibitions and initiating creative community service projects.

The Emerging Fellow has a solo exhibit in the Annex Gallery and receives a \$200 stipend. Both Fellows have the opportunity to exhibit in member group shows and in the Alcove small works gallery.

The Senior Fellow is required to serve as gallery attendant once every 6 weeks. Both Fellows are expected to assist in one or two gallery chores. Both Fellows are required to attend 4 member meetings per year. Fellows are invited to participate in gallery functions such as receptions, talks and parties.
